TIMELINE

Sample (N= 2031)

Interview context

What statement best describes your working day today?

Experience with working from home

Before COVID-19

1.7% had home office only
8% regularly
64% occasionally
26% never

During COVID-19

88 % had home office only
7% regularly
3 % occasionally
3% never

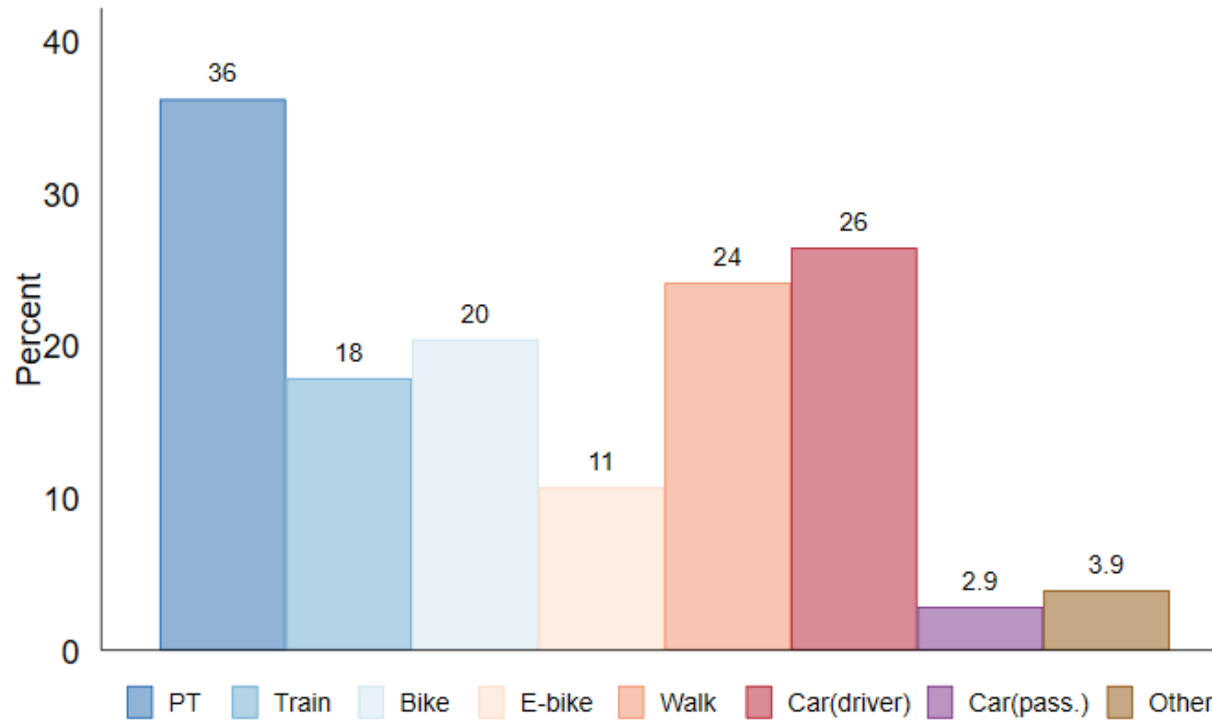

13 Mars 2020

Travel habits before

How do you normally travel to work/school this time of the year? (%)

If you are not travelling because of Covid-19, think about how you travelled before

N=2031

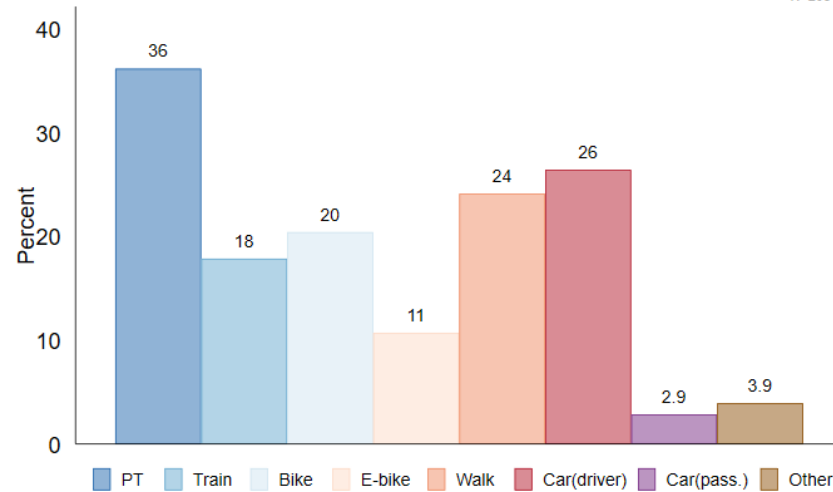

... and now

How do you normally travel to work/school this time of the year? (%)

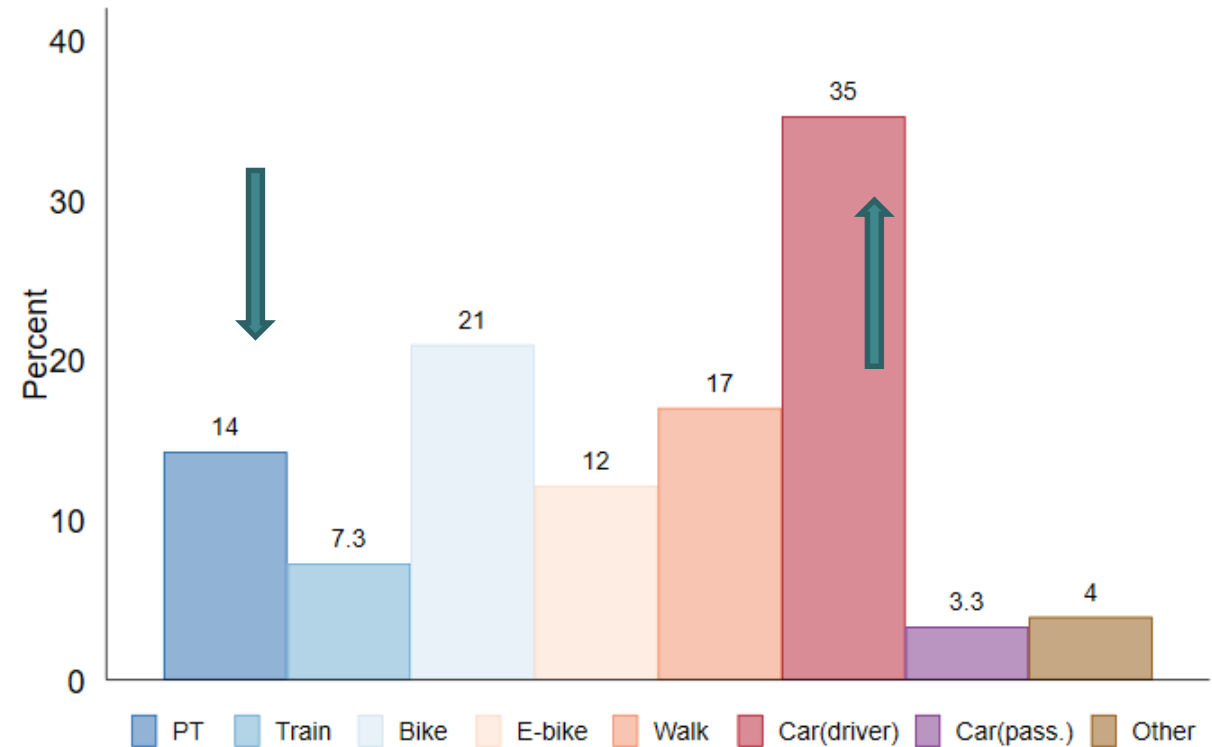

If you are not travelling because of Covid-19, think about how you travelled before

N=2031

How did you travel to work/school today? (%), T0

N=329

Fear of COVID19

How worried are you...
that you will be infected?

that your children will be infected?

that someone in your family will be infected?

to infect others?

To travel, or not to travel (to work)

Most(>95%) worked on the survey day

May
Mai-June
Mai-June
June
Aug-Sept
Sept
Sept

Are you working from home today? (%)

Working from home is working well

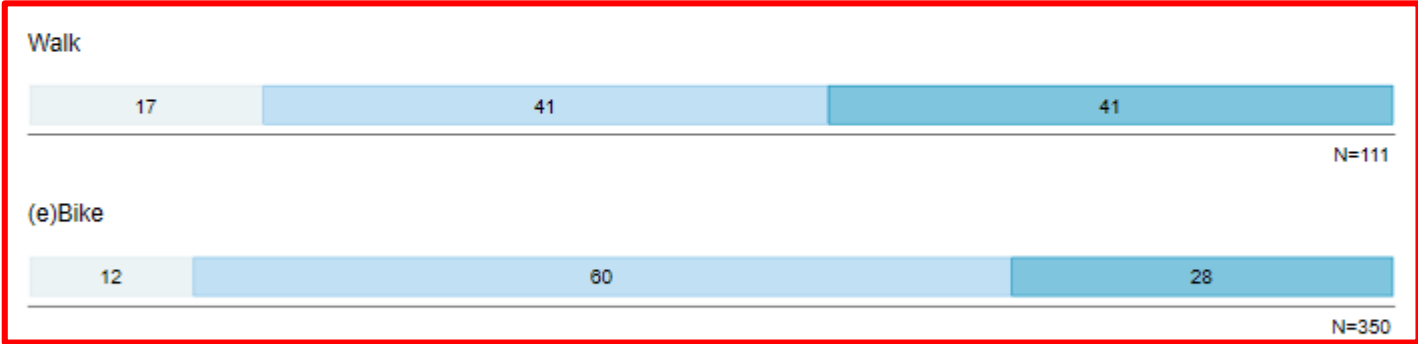

How would you rate your experience of working from home today?

Do you miss your commute?

Do you miss your commute? (%), T0

Public Transport

Not at all Some aspects of it Very much

Changing from active to passive transport

To summarize

«Everyone» started
working from home...

...and they like it

Lockdown has shifted people
from public transport to
private car

..and are most happy
when they arrive at
work

Walkers and bikers
miss their commute
most...
